EMERGENCY MEDICAL SERVICES ADMINISTRATOR'S
ASSOCIATION OF CALIFORNIA

JOIN US!

Dear EMS Professional:

On behalf of the EMS Administrators Association of California, you are cordially invited to join us at our 2009 Annual Conference. This year's conference, "California EMS: Redefining the Landscape," should prove to be a very informative and interesting conference. We have developed a unique agenda of timely, relevant topics and nationally recognized speakers.

Our Target Audience includes: EMS managers, administrators, educators, medical directors, emergency physicians or nurses, trauma managers, or if you work for a provider agency, you will want to attend this conference! You will hear ideas about preparing for the road ahead, and you will have the opportunity to network with many leaders and colleagues in California's world of EMS.

This year's conference will be held in the beautiful and relaxing environment found at the La Quinta Resort & Club greater Palms Springs area. Blessed with a near perfect climate year-round, Palms Springs offers endless opportunities to enjoy the outdoors.

We are very proud to have joined CAL/ACEP as our conference partner again this year. The conference is also supported by the California EMS Authority (EMSA) and the Emergency Medical Directors Association of California (EMDAC), and by many quality providers of EMS supplies and services .

Please consider joining us at the conference. Your presence and participation will make the conference even better, and you will be sure to have a great time in Palms Springs!

Warmest Regards,

Michael Frenn
